

DRAGA UČENKA, DRAGI UČENEC!

Dober dan!

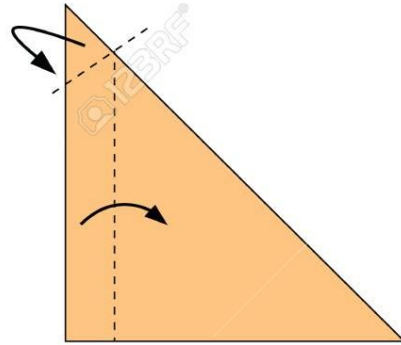

ORIGAMI KUŽEK je danes tvoj izziv. Potrebuješ dva kvadratna papirja, črn flomaster, lepilni trak in dobro voljo. Posebej boš izdelal glavo in posebej telo kužka. Ko imaš oba dela oblikovana ju preprosto zlepiš. S flomastrom narišeš kužku oči in smrček in že imaš novega prijatelja – čudovitega kužka.

Veliko zabave ti želi učiteljica Anica.
